ABOUT YOU

1.	Describe your experience with Amphibious Achievement as a whole; take us through a regular day in your life as an Amphibious Achiever (from where you live, to how far you might have had to travel to get to MIT, to how involved you are with the program). Remember, we are most interested in YOU and how you were involved in AA activities, not just details of what these activities are. Show us through examples and experiences how you have been a dedicated Achiever. During which programs did you put in most effort? How did you demonstrate this, and what did you get out of it?
2.	How did participating in Amphibious Achievement overcome obstacles in your life and help you to reach your academic, athletic, and life goals?
